5pc Power Cut Burr Set

Part Number: BSPC5
 Set Contains 1 of each
 B61225-5
 C61225-5
 F61225-5
 G61225-5
 L61228-5

State of the Art Facilities and over 50 years Experience in Designing and Manufacturing the World's No.1 Carbide Burrs has lead to the Development of the Power Cut Tooth Profile. The Geometry has been Specifically Created to meet the Unique Demands of the Foundry, Shipyard, Marine, Fabrication and Construction Industries with its Increased Tooth Angle which provides the Extra Strength required to Perform within these Harsh Environments.

Increased Strength for longer tool life

Increased Power for improved stock removal

Increased Productivity for maximum profit
